

Candle Light Vigil

In celebration of Domestic Violence Awareness Month, Hope Crisis Center invites the community to attend a Candlelight Vigil. The vigils will be held to raise awareness about domestic violence and to remember those who have died at the hands of their loved one, support those who still suffer and celebrate those who have survived. We are excited to present Christie and Curt Brungardt, speaking on behalf of their daughter, Jana, who lost her life due to domestic violence. The evening will also feature speakers from our community.
